4. **Competitor Conduct:** any act of discourtesy or disobedience by an owner, groom, athlete, coach, or family member to an official, COC member, other spectators, or competitors while at the competition, will disqualify the associated horse and competitor from competition. The COC has the right to remove anyone from the competition without being liable for compensation or damages.

5. **Protective Headgear:** Although competition management may enforce a stricter helmet policy, all competitions must adhere to the following NSEF Policy on Protective Headwear:

NSEF Helmet Policy: All Competitors must wear ASTM/SEI, or BSI/BS EN, approved protective headgear, with the safety harness correctly secured at all times while mounted or driving at the competition or anywhere on the competition grounds.

Participants may only use obstacles provided by the competition committee in the warmup ring.

8. **Mannerly stallions** may be shown by SENIOR COMPETITORS ONLY.

9. **Falls**

- a) An athlete is considered to have fallen when, either voluntarily or involuntarily, separation from the unfallen horse occurs in such a way that said athlete touches the ground or finds it necessary to seek support or assistance to regain a seated position.
- b) An athlete has fallen when vaulting or remounting to regain sitting astride the horse is required.
- c) A horse is considered to have fallen when at the same time both its shoulder and quarters have touched either the ground or the obstacle and the ground.

10. **Safety** (in addition to discipline specific rules stated throughout this document)

- a) Competitors are responsible to know the method of reversing used during group classes. The competition committee shall indicate the method of reversing during group classes, whether it is to the inside or toward the wall. i.e. A proper competition ring reverse for most English Classes is to leave the track on a diagonal in the current direction and then half circle to the track in the new direction. The standard Western ring reverse is to turn to the inside of the ring.
- b) Appropriate apparel and footwear must be worn in the competition ring and warm up areas.

11. **Equine Medication Control** - The NSEF endorses Clean Sport for all equine activities. Clean Sport (competing without performance enhancing medications) will ensure fair play in competition while maintaining the welfare of the horse. The Nova Scotia Equestrian Federation reserves the right to introduce drug testing at Scotia Series, with the proviso that due notice will be given. It is the NSEF's expectation that competitors will ensure their horse's performance is not enhanced by means of prohibited substances.

12. **Equine Welfare** -The NSEF is dedicated to the humane treatment and welfare of horses. Cruel, abusive or inhumane treatment of a horse at any NSEF Scotia Series event by any competitor, owner, coach, trainer or other person will not be tolerated anywhere on the competition grounds under any circumstances.

A horse may compete in Under Saddle or Driving competitions only after July 1st if it's a two year old year.

Horses entered in all events must be in good condition and must be serviceably sound. Final determination of a horse's suitability to continue is ultimately the judge's decision. Unsoundness is defined as:

- a) Consistently observable at any gait under all circumstances.
- b) Marked nodding, hitching or shortened stride; or
- c) Minimal weight-bearing in motion and/or rest and inability to move.
- d) Any manifestation of pain, inability, disability, or deformity in the act of motion is considered unsoundness.

Any competitor that may in the opinion of officials and/or competition management be considered riding at risk of injury to themselves, or their horse will be asked to withdraw from further competition.

The welfare of the horse is paramount in our sport therefore the competition committee reserves the right to ask a horse to retire, either from a class or from the competition, in the event that it appears that it would not be productive for the horse to continue. This may be due to heat, unsoundness, or apparent over facing of the horse. In this event, entry fees for unused classes will be refunded by the office.
