Board of Directors: Anne Callanan, Byron Lamb, Correna Keddy, John Bruce, Russell Ernst, Dave Leonard, Katrina Barrett, Kerwin Delong, Lori Height, Charlsease Fiske, Hilary Campbell

These General Rules apply to all competitions and exhibitors and have precedence over any other rules adopted by Sub-Committees in any case where there is a conflict between rules.

1. The Board of Directors has the final and absolute right to interpret all rules and regulations and determine all matters, questions or disputes. The Board has the right to amend or add to these rules and regulations as their judgment may determine, from time to time. Entries are accepted subject to this rule; by signing the entry form, participants agree to abide by the rules defined herein.
2. Management may remove exhibitors without refund for disorderly conduct.
3. Management reserves the right to refuse any exhibitor for lack of space subject to the provision that space will be allocated on a first come first served basis.
4. All entries must be submitted online through the Annapolis Valley Exhibition website. Paper entry forms will not be accepted. Please refer to specific prize book for entry deadlines and rules. Late entries will only be accepted if space allows. A late fee will be charged. See entry form for amount.
5. Entries will not be accorded precedence as to order of receipt until they are complete in all respects. Entry fees are due upon submission of entry forms. No entry shall be considered complete until all applicable fees are paid in full.
6. The Management shall have the sole right and discretion to allocate exhibits and exhibitors to whatever barn, building, stall, or space is considered appropriate, notwithstanding any apparent outward designation on the building, grounds or any plan.
7. Articles exhibited other than livestock must be produced, grown, created or manufactured in the current year.

GROUNDS AND BUILDINGS

1. The Exhibition building and grounds will be open on Sunday after 1pm prior to the Exhibition for the reception and arrangement of exhibits, unless specified under Class Rules. Exhibitors are reminded that they enter all exhibits at their own risk.
2. The Exhibition grounds will be open to the public during the Exhibition week at times determined by the Management and posted or advertised each year.
3. No pets are allowed on the Exhibition property during Exhibition week, except pets of exhibitors which must be confined to the trailer park.
4. All officials will be designated by proper badges or other designation.
5. There is no exhibitor parking on the grounds. Supplies may be dropped off before 8:30 in the morning and vehicles are to be immediately moved to the designated exhibitor parking area in the main parking lot. ***First offense – ticket on windshield; Second offense – forfeit prize monies; Third offense – vehicle(s) will be towed at the owner's expense.***
6. The Annapolis Valley Exhibition restricts all smoking of tobacco, cannabis, and vapes within 15 metres of all structures on the Exhibition Grounds. No smoking or vaping of any substance is permitted in the bleachers.

JUDGING AND PRIZES

1. No person shall be permitted to enter the judge's ring while judging is in progress, except the judges, their attendants, show ring officials, and such exhibitors as have been called into the ring by the judge or judges.
2. No changes in classification can be made after judging commences.
3. Any person interfering with the judge(s) while in the discharge of their duties shall be removed from the grounds.
4. All judges shall give reasons for the placings when asked and may give reasons in any case.
5. No person shall be allowed to receive more than one prize in any one section of a non-livestock class. Accordingly, two entries may not be made in any one section or class. Special prizes may be awarded in addition.
6. Any exhibitor found to have employed any dishonest measures shall not only forfeit the prize which might be awarded to him or her but shall, in future, be barred from competition in the Exhibition.

7. Due to the necessity of proceeding with judging as rapidly as possible, all animals must be ready to enter the ring when called and all other exhibits must be prepared and available when judging begins. Failure to comply with this regulation will result in forfeiting the right to show in the relevant class.
8. All protests of the judge's decisions must be submitted in writing to the Manager of the Exhibition and accompanied by a deposit of \$25.00. Protests or appeals must state plainly the cause of the complaint or appeal and must be delivered to the Manager within four (4) hours after the occasion for the protest. No protest will be accepted based on the contention that a judge has overlooked an exhibit. If the protest is not sustained, the deposit shall be forfeited.
9. Prize money may be reduced up to 50% at the discretion of the Board in the event of reduced income due to bad weather, lack of entries, or other valid reasons.
10. Committee discretion has the final word on whether livestock is fit to show.
11. All claims for prize money not received must be made to the Manager before September 30th of the current year.
12. Special prizes require a special entry and special exhibit when the terms of the special class vary from the terms of the regular section.

1. Stalls for all livestock entries shall be allotted in order of receipt of entries at the time of entry. Exhibitors may not trade stalls without obtaining the approval of Management and recording the approved trade at the Exhibition Office.
2. All registered animals are subject to being checked for registration. Registration papers and R.O.P. data must be available prior to and up to the time of judging. No animals will be accepted as purebred or registered until registration papers are available from the owner.
3. All animals must be owned by the exhibitor at least thirty (30) days prior to the date of the Exhibition.

6. All livestock competing for special prizes must also be entered in at least one (1) regular Exhibition class.
7. Feed and bedding for livestock is the responsibility of the exhibitor. All manure and bedding shall be cleaned up by 8:30 am each day. Stalls will be cleaned, and all manure and bedding must be removed from the stall when the animal leaves the grounds. A minimum charge of \$50.00 per stall will be assessed against exhibitors failing to abide by the rule. Should this charge not be paid promptly, the exhibitor will be prohibited from future participation until the fee is settled.
8. Grooming and care of animals will take place in the stalls or designated area. Cross-tying of livestock in the aisles is not permitted.
9. Due to concerns for the movement of traffic and safety of attendants and exhibitors at the Exhibition, the Board shall fix times for departure of livestock and other exhibits when classes have been completed each year. **For the current year, livestock shall be moved to and from the grounds according to the following times:**
 - Dairy – in and settled from 4pm Sunday to 10am Monday, out Wednesday by 10am.**

Animals must be supervised at all times and not left unattended. All others must be stabled.
11. The owner and handler of livestock will be responsible for the behaviour and control of his or her animal. Livestock must be well-broke to halter. No dangerous, uncontrolled animals will be permitted. The Manager may order any such animal off the grounds without reimbursement for any entry fee or other fees paid.

After the entry deadline, the office will allocate new exhibitor spots (or returning who missed a year) according to size of the trailer. Non-Exhibitors are allocated spots after all exhibitors are accommodated. Please note: if an exhibitor is not returning, that exhibitor cannot "give" a campground space to someone else; the office allocates campground spaces. The manager's decision is final.

SCOTIA SERIES OVERVIEW

- The NSEF Scotia Series is a provincial circuit.
- Athletes must be NSEF Members to be eligible for Scotia Series Annual Awards.
- Athletes from Nova Scotia competing in the Scotia Series live in one of the six Nova Scotia Districts.
- Annual awards are presented at the NSEF Awards Reception. The Sportsmanship Award for the junior athlete is awarded by nomination.
- References to Athlete(s) throughout this handbook refer to the human athlete (competitor, driver, or handler).

SCOTIA SERIES COMPETITION RULES AND REGULATIONS

In addition to the competition organizing committee's requirements, there are also NSEF requirements specific to Scotia Series.

Competitors are responsible for knowing the Rules of the Scotia Series Competitions (<https://horsenovascotia.ca/Scotia-Series>) and for identifying which classes meet the criteria for Scotia Series Awards.

1. Membership

- a) Current NSEF membership is required to compete and qualify for Annual awards.
- b) Non-NS residents require an out of province P/TSO membership to be eligible to compete.
- c) NSEF memberships can be verified online, or members must provide proof of membership. Out of Province members must provide proof of membership.g

2. **Age Categories:** where age is indicated the age is defined as of January 1^s of the current year.

3. **Person Responsible:** The person who signs the entry form is the person responsible for the welfare of the horse and for the actions of the support team of that entry. Junior competitors must have their entry form signed by the parent or legal guardian deemed responsible for said junior.

4. **Competitor Conduct:** any act of discourtesy or disobedience by an owner, groom, athlete, coach, or family member to an official, COC member, other spectators, or competitors while at the competition, will disqualify the associated horse and competitor from competition. The COC has the right to remove anyone from the competition without being liable for compensation or damages.

5. **Protective Headgear:** Although competition management may enforce a stricter helmet policy, all competitions must adhere to the following NSEF Policy on Protective Headwear:
NSEF Helmet Policy: All Competitors must wear ASTM/SEI, or BSI/BS EN, approved protective headgear, with the safety harness correctly secured at all times while mounted or driving at the competition or anywhere on the competition grounds.

Exception - Competitors 19 years old as of January 1st, competing in the *Western Performance Division* without an approved safety helmet must submit a signed Scotia Series Helmet Waiver to the competition organizer.

6. **Ring Numbers:** issued by the competition office and must be worn at all times. This includes the competition arena and the schooling/warm up area. If at any time a horse is being handled by an individual, other than the competitor, the handler must be in possession of the ring number.
7. **Lunging of horses** is permitted in a specified designated area only. Lunging is not permitted in any areas where horses are being ridden or driven. In any class or event requiring equipment, athletes **MUST NOT** use the competition's equipment for practicing before the class or event begins, on penalty of disqualification. Participants may only use obstacles provided by the competition committee in the warmup ring.
8. Mannerly stallions may be shown by **SENIOR COMPETITORS ONLY**.
9. **Falls:**
 - a) An athlete is considered to have fallen when, either voluntarily or involuntarily, separation from the unfallen horse occurs in such a way that said athlete touches the ground or finds it necessary to seek support or assistance to regain a seated position.
 - b) An athlete has fallen when vaulting or remounting to regain sitting astride the horse is required.
 - c) A horse is considered to have fallen when at the same time both its shoulder and quarters have touched either the ground or the obstacle and the ground.
10. **Safety** (in addition to discipline specific rules stated throughout this document):
 - a) Competitors are responsible to know the method of reversing used during group classes. The competition committee shall indicate the method of reversing during group classes, whether it is to the inside or toward the wall. i.e. A proper competition ring reverse for most English Classes is to leave the track on a diagonal in the current direction and then half circle to the track in the new direction. The standard Western ring reverse is to turn to the inside of the ring.
 - b) Appropriate apparel and footwear must be worn in the competition ring and warm up areas.
11. **Equine Medication Control:** The NSEF endorses Clean Sport for all equine activities. Clean Sport (competing without performance enhancing medications) will ensure fair play in competition while maintaining the welfare of the horse. The Nova Scotia Equestrian Federation reserves the right to introduce drug testing at Scotia Series, with the proviso that due notice will be given. It is the NSEF's expectation that competitors will ensure their horse's performance is not enhanced by means of prohibited substances.
12. **Equine Welfare:** The NSEF is dedicated to the humane treatment and welfare of horses. Cruel, abusive or inhumane treatment of a horse at any NSEF Scotia Series event by any competitor, owner, coach, trainer or other person will not be tolerated anywhere on the competition grounds under any circumstances.

A horse may compete in Under Saddle or Driving competitions only after July 1st if it's a two year old year.

Horses entered in all events must be in good condition and must be serviceably sound. Final determination of a horse's suitability to continue is ultimately the judge's decision. Unsoundness is defined as:

 - a) Consistently observable at any gait under all circumstances.
 - b) Marked nodding, hitching or shortened stride; or
 - c) Minimal weight-bearing in motion and/or rest and inability to move.
 - d) Any manifestation of pain, inability, disability, or deformity in the act of motion is considered unsoundness.

Any competitor that may in the opinion of officials and/or competition management be considered riding at risk of injury to themselves, or their horse, will be asked to withdraw from further competition.

The welfare of the horse is paramount in our sport; therefore, the competition committee reserves the right to ask a horse to retire, either from a class or from the competition, in the event that it appears that it would not be productive for the horse to continue. This may be due to heat, unsoundness, or apparent over facing of the horse. In this event, entry fees for unused classes will be refunded by the office.
13. **\$3 Scotia Series Fee:** this fee is charged per horse/rider combo when they enter at least 1 Scotia Series class (onetime \$3 fee per horse/rider combo regardless of the number of classes entered).

Safe Sport standards are in place for officials, coaches, and persons responsible for junior-aged athletes at our Scotia Series competition. These are in place to meet federal and provincial government requirements and most importantly, so that everyone has the right to feel safe and to participate in an accessible and inclusive sport environment. Please ensure that you meet the Equestrian NS Board-Approved standards prior to coming to our competition. Details and support can be found at:

Ranch Riding Stake - 1st \$35 2nd \$30 3rd \$25 4th \$22

Primary considerations are the horse's quality of movement and overall manners and responsiveness while performing the required maneuvers. The class should allow the horse to show its ability to work at a forward working speed while under the control of the rider. A horse being shown with light contact should be rewarded. Horses in this class should not have hoof paint, braided or banded manes, or tail extensions. Each horse will work individually, performing both required and optional maneuvers. Horses will follow a set pattern.

Class # 50 Ranch Riding Stake

LIBERTY GROUNDWORK DIVISION \$5/class

Understanding, choosing, and balancing values and goals within horsemanship requires daily practice; Groundwork Division classes are designed to offer structured, measurable opportunities to pursue goals through timed and/or scored maneuvers and obstacles while values-based horsemanship, prioritizing the horse's emotional and physical wellbeing, is likewise recognized and rewarded.

Correspondingly, 50% of points awarded will be based on The Judge's subjective interpretation of Values Based Horsemanship and 50% of points awarded will be based on objectively observable and measurable/timed maneuvers and obstacles.

- Values Based Horsemanship points can include but are not limited to: expression (horse and handler), appropriate use of equipment/tools (or absence of equipment/tools), attentiveness to and acknowledgement of horse's 'try,' appropriate application of pressure, appropriately timed release, 'feel and timing.'
- Goal Based Horsemanship points can include but are not limited to: speed (speed of movement/speed of transition/speed of execution), precision, appropriate turnout/appointments, proper execution of obstacle/maneuver (loosely based on AQHA and ILHA rules?)

** Subjective information is based on personal opinions, interpretations, points of view, emotions, and judgment. Objective information or analysis is fact-based, measurable, and observable. **
