Rule change only by Board approval

Board of Directors: Anne Callanan, Byron Lamb, Correna Keddy, John Bruce, Russell Ernst, Dave Leonard, Katrina Barrett, Lori Height, Charlsea Fiske, Hilary Campbell

These General Rules apply to all competitions and exhibitors and have precedence over any other rules adopted by Sub-Committees in any case where there is a conflict between rules.

1. The Board of Directors has the final and absolute right to interpret all rules and regulations and determine all matters, questions or disputes. The Board has the right to amend or add to these rules and regulations as their judgment may determine, from time to time. Entries are accepted subject to this rule; by signing the entry form, participants agree to abide by the rules defined herein.
2. Management may remove exhibitors without refund for disorderly conduct.
3. Management reserves the right to refuse any exhibitor for lack of space subject to the provision that space will be allocated on a first come first served basis.
4. All entries must be submitted online through the Annapolis Valley Exhibition website. Paper entry forms will not be accepted. Please refer to specific prize book for entry deadlines and rules. Late entries will only be accepted if space allows. A late fee will be charged. See entry form for amount.
5. Entries will not be accorded precedence as to order of receipt until they are complete in all respects. **Entry fees are due upon submission of entry forms. No entry shall be considered complete until all applicable fees are paid in full.**
6. The Management shall have the sole right and discretion to allocate exhibits and exhibitors to whatever barn, building, stall, or space is considered appropriate, notwithstanding any apparent outward designation on the building, grounds or any plan.
7. Articles exhibited other than livestock must be produced, grown, created or manufactured in the current year.

3. No pets are allowed on the Exhibition property during Exhibition week, except pets of exhibitors which must be confined to the trailer park.
4. All officials will be designated by proper badges or other designation.
5. There is no exhibitor parking on the grounds. Supplies may be dropped off before 8:30 in the morning and vehicles are to be immediately moved to the designated exhibitor parking area in the main parking lot. ***First offense – ticket on windshield; Second offense – forfeit prize money; Third offense – vehicle(s) will be towed at the owner's expense.***
6. The Annapolis Valley Exhibition restricts all smoking of tobacco, cannabis, and vapes within 15 metres of all structures on the Exhibition Grounds. No smoking or vaping of any substance is permitted in the bleachers.

JUDGING AND PRIZES

1. No person shall be permitted to enter the judge's ring while judging is in progress, except the judges, their attendants, show ring officials, and such exhibitors as have been called into the ring by the judge or judges.
2. No changes in classification can be made after judging commences.
3. Any person interfering with the judge(s) while in the discharge of their duties shall be removed from the grounds.
4. All judges shall give reasons for the placings when asked and may give reasons in any case.
5. No person shall be allowed to receive more than one prize in any one section of a non-livestock class. Accordingly, two entries may not be made in any one section or class. Special prizes may be awarded in addition.
6. Any exhibitor found to have employed any dishonest measures shall not only forfeit the prize which might be awarded to him or her but shall, in future, be barred from competition in the Exhibition.

7. Due to the necessity of proceeding with judging as rapidly as possible, all animals must be ready to enter the ring when called and all other exhibits must be prepared and available when judging begins. Failure to comply with this regulation will result in forfeiting the right to show in the relevant class.
8. All protests of the judge's decisions must be submitted in writing to the Manager of the Exhibition and accompanied by a deposit of \$25.00. Protests or appeals must state plainly the cause of the complaint or appeal and must be delivered to the Manager within four (4) hours after the occasion for the protest. No protest will be accepted based on the contention that a judge has overlooked an exhibit. If the protest is not sustained, the deposit shall be forfeited.
9. Prize money may be reduced up to 50% at the discretion of the Board in the event of reduced income due to bad weather, lack of entries, or other valid reasons.
10. Committee discretion has the final word on whether livestock is fit to show.
11. All claims for prize money not received must be made to the Manager before September 30th of the current year.
12. Special prizes require a special entry and special exhibit when the terms of the special class vary from the terms of the regular section.

LIVESTOCK ENTRIES

1. Stalls for all livestock entries shall be allotted in order of receipt of entries at the time of entry. Exhibitors may not trade stalls without obtaining the approval of Management and recording the approved trade at the Exhibition Office.
2. All registered animals are subject to being checked for registration. Registration papers and R.O.P. data must be available prior to and up to the time of judging. No animals will be accepted as purebred or registered until registration papers are available from the owner.
3. All animals must be owned by the exhibitor at least thirty (30) days prior to the date of the Exhibition.
4. Entries in classes comprised of more than one animal may be made up of animals shown individually.
5. Any animal showing signs of infectious disease or parasite infection will be barred from the Exhibition and be removed immediately from the grounds.
6. All livestock competing for special prizes must also be entered in at least one (1) regular Exhibition class.
7. Feed and bedding for livestock is the responsibility of the exhibitor. All manure and bedding shall be cleaned up by 8:30 am each day. Stalls will be cleaned, and all manure and bedding must be removed from the stall when the animal leaves the grounds. A minimum charge of \$50.00 per stall will be assessed against exhibitors failing to abide by the rule. Should this charge not be paid promptly, the exhibitor will be prohibited from future participation until the fee is settled.
8. Grooming and care of animals will take place in the stalls or designated area. Cross-tying of livestock in the aisles is not permitted.
9. Due to concerns for the movement of traffic and safety of attendants and exhibitors at the Exhibition, the Board shall fix times for departure of livestock and other exhibits when classes have been completed each year. **For the current year, livestock shall be moved to and from the grounds according to the following times:**
 - Dairy – in and settled from 4pm Sunday to 10am Monday, out Wednesday by 10am.**

Animals must be supervised at all times and not left unattended. All others must be stabled.
11. The owner and handler of livestock will be responsible for the behaviour and control of his or her animal. Livestock must be well-broke to halter. No dangerous, uncontrolled animals will be permitted. The Manager may order any such animal off the grounds without reimbursement for any entry fee or other fees paid.

16. Returning exhibitors have first refusal of campground space. After the entry deadline, the office will allocate new exhibitor spots (or returning who missed a year) according to size of the trailer. Non-Exhibitors are allocated spots after all exhibitors are accommodated. Please note: if an exhibitor is not returning, that exhibitor cannot "give" a campground space to someone else; the office allocates campground spaces. The manager's decision is final.
17. Trailer Park: All 15 amps may be only 15 amps before the breaker trips. For example: the system will run a Fridge and Lights. A small Hot Water Heater will trip the breaker.
