Late entries will only be accepted if space allows. A late fee will be charged. See entry form for amount.

8. All protests of the judge's decisions must be submitted in writing to the Manager of the Exhibition and accompanied by a deposit of \$25.00. Protests or appeals must state plainly the cause of the complaint or appeal and must be delivered to the Manager within four (4) hours after the occasion for the protest. Stalls will be cleaned, and all manure and bedding must be removed from the stall when the animal leaves the grounds. A minimum charge of \$50.00 per stall will be assessed against exhibitors failing to abide by the rule. Should this charge not be paid promptly, the exhibitor will be prohibited from future participation until fee is settled.
8. Grooming and care of animals will take place in the stalls or designated area. Cross-tying of livestock in the aisles is not permitted.

SCOTIA SERIES COMPETITION RULES and REGULATIONS

In addition to the competition organizing committee's requirements, there are also Equestrian NS requirements specific to Scotia Series:

Competitors are responsible for knowing the Rules of the Scotia Series Competitions

(<https://horsenovascotia.ca/Scotia-Series>) and for identifying which classes meet the criteria for Scotia Series Awards.

1. Membership

- a) Current Equestrian NS membership is required to compete and qualify for Annual awards.
- b) Non-NS residents require an out of province P/TSO membership to be eligible to compete.
- c) Equestrian NS memberships can be verified online, or members must provide proof of membership. Out of Province members must provide proof of membership.

2. **Age Categories:** where age is indicated the age is defined as of January 1st, 2024.

3. **Person Responsible:** The person who signs the entry form is the person responsible for the welfare of the horse and for the actions of the support team of that entry. Junior competitors must have their entry form signed by the parent or legal guardian deemed responsible for said junior.

4. **Competitor Conduct:** any act of discourtesy or disobedience by an owner, groom, athlete, coach, or family member to an official, COC member, other spectators, or competitors while at the competition, will disqualify the associated horse and competitor from competition. The COC has the right to remove anyone from the competition without being liable for compensation or damages.

5. **Protective Headgear:** Although competition management may enforce a stricter helmet policy, all competitions must adhere to the following Equestrian NS Policy on Protective Headwear:

Equestrian NS Helmet Policy: All Competitors must wear ASTM/SEI, or BSI/BS EN, approved protective headgear, with the safety harness correctly secured at all times while mounted or driving at the competition or anywhere on the competition grounds.

Exception - **Competitors 19 years old as of January 1st, competing in the *Western Performance Division* without an approved safety helmet must submit a signed Scotia Series Helmet Waiver** to the competition organizer.

6. **Ring Numbers** - issued by the competition office and must be worn at all times. This includes the competition arena and the schooling/warm up area. If at any time a horse is being handled by an individual, other than the competitor, the handler must be in possession of the ring number.

7. **Lunging** of horses is permitted in a specified designated area only. Lunging is not permitted in any areas where horses are being ridden or driven. In any class or event requiring equipment, athletes **MUST NOT** use the competition's equipment for practicing before the class or event begins, on penalty of disqualification. Participants may only use obstacles provided by the competition committee in the warmup ring.

8. **Mannerly stallions** may be shown by SENIOR COMPETITORS ONLY.

9. Falls

- a) An athlete is considered to have fallen when, either voluntarily or involuntarily, separation from the unfallen horse occurs in such a way that said athlete touches the ground or finds it necessary to seek support or assistance to regain a seated position.
- b) An athlete has fallen when vaulting or remounting to regain sitting astride the horse is required.

- c) A horse is considered to have fallen when at the same time both its shoulder and quarters have touched either the ground or the obstacle and the ground.
10. **Safety** (in addition to discipline specific rules stated throughout this document)
- a) Competitors are responsible to know the method of reversing used during group classes. The competition committee shall indicate the method of reversing during group classes, whether it is to the inside or toward the wall. i.e. A proper competition ring reverse for most English Classes is to leave the track on a diagonal in the current direction and then half circle to the track in the new direction. The standard Western ring reverse is to turn to the inside of the ring.
- b) Appropriate apparel and footwear must be worn in the competition ring and warm up areas.
11. **Equine Medication Control** - The Equestrian NS endorses Clean Sport for all equine activities. Clean Sport (competing without performance enhancing medications) will ensure fair play in competition while maintaining the welfare of the horse. The Nova Scotia Equestrian Federation reserves the right to introduce drug testing at Scotia Series, with the proviso that due notice will be given. It is the Equestrian NS's expectation that competitors will ensure their horse's performance is not enhanced by means of prohibited substances.
12. **Equine Welfare** -The Equestrian NS is dedicated to the humane treatment and welfare of horses. Cruel, abusive or inhumane treatment of a horse at any Equestrian NS Scotia Series event by any competitor, owner, coach, trainer or other person will not be tolerated anywhere on the competition grounds under any circumstances. A horse may compete in Under Saddle or Driving competitions only after July 1st of its a two year old year. Horses entered in all events must be in good condition and must be serviceably sound. Final determination of a horse's suitability to continue is ultimately the judge's decision. Unsoundness is defined as:
- a) Consistently observable at any gait under all circumstances.
- b) Marked nodding, hitching or shortened stride; or
- c) Minimal weight-bearing in motion and/or rest and inability to move.
- d) Any manifestation of pain, inability, disability, or deformity in the act of motion is considered unsoundness. Any competitor that may in the opinion of officials and/or competition management be considered riding at risk of injury to themselves, or their horse will be asked to withdraw from further competition.
- The welfare of the horse is paramount in our sport therefore the competition committee reserves the right to ask a horse to retire, either from a class or from the competition, in the event that it appears that it would not be productive for the horse to continue. This may be due to heat, unsoundness, or apparent over facing of the horse. In this event, entry fees for unused classes will be refunded by the office.
13. **\$3 Scotia Series Fee: this fee is charged per horse/rider combo when they enter at least 1 Scotia Series class (onetime \$3 fee per horse/rider combo regardless of the number of classes entered).**
