Volunteer Opportunities

ANNAPOLIS VALLEY
EXHIBITION
AUGUST 12-17, 2024

Volunteer opportunities include:

- Office Assistant – assist office staff, provide customer service to patrons and guests.
- Runner – assist with the preparation and distribution of awards and ribbons and other materials to various exhibition departments.
- Steward – provide updates, communications, offer break reliefs, make supply runs, etc. to Vendors and Exhibitors.
- Sign Crew – ensure signage on the exhibition grounds is up to date and accurate, change as required.
- Information Booth – provide schedules and information to patrons and guests.
- Maintenance Crew – assist with building and grounds repair and maintenance and/or set up and tear down of exhibits.

Perks

- Free daily admittance if you are volunteering for 4 or more hours a day. Once you are in the schedule, your name will be on the list of volunteers at the front gate for free admittance.
- Updates and invitations to participate in Exhibition brainstorming and problem-solving groups that help to grow the Exhibition.
- Belonging to a diverse and vibrant community of volunteers, of all ages and abilities, who bring to the show their incredible assets to make the Exhibition a great event for all!

Most volunteer shifts are 4 hours, and there are always two people per shift. There are a few volunteer opportunities/shifts that are more casual and allow you to be off your feet and primarily answer questions, provide information while you keep an eye on things. Most opportunities/shifts are where you'll want to wear your comfy shoes because you'll be on your feet and moving about.

Board of Directors

Other volunteer opportunities include joining the Board of Directors or one of our committees. Board members are elected annually at the annual general meeting held in November. Board members meet monthly throughout the year and participate on various executive and/or operational level committees as well as sit on exhibition committees (optional).

Exhibition Committee Volunteers

Exhibition Committees are the committees of dedicated volunteers who are instrumental in making the events and activities of exhibition week a huge success. These committees are less formal than the Board of Directors and executive/operational committees. The committees meet regularly or as needed, often more frequently leading up to the exhibition. Committees can determine events, prizes, conduct event-specific fundraising/sponsorship (and work with the General Manager on larger sponsorships), conduct and/or recruit judges, and more. Committees include:

- Beef
- Dairy
- Draft Horse
- Horse Pulls
- Haflinger
- Light Horse
- Mini Horse
- Oxen
- Pleasure Driving
- Art
- Cooking
- Cross Stitch
- Flower
- Fruit and Vegetable
- Creative Craft
- Photography
- Rug Hooking
- Wood Working
